

Surviving takeoffs and landings.

How come everyone sees it when you make a bad landing, but no one is around to see the good ones? Discuss this paradox as well as elements and techniques you can use to make better landings. Review procedures designed to tighten up the traffic pattern as well.

Directions: Reno Air Race (RARA) Pilot Briefing Room

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
